

NATIONWIDE CHILDREN'S HOSPITAL INVITATIONAL

July 30 - August 2, 2009

The Nationwide Children's Hospital Invitational

In just its second season, The Nationwide Children's Hospital Invitational is already a premier stop on the Nationwide Tour combining a unique blend of the top up-and-coming professional players in the world with some of the best collegiate amateurs in the country. The Ohio State University Golf Club, Scarlet Course, redesigned in 2006 by golf legend Jack Nicklaus, is one of the most demanding in the country and serves as the only collegiate venue in America to host a professional golf tournament. You are invited to enjoy scenic views, relax with refreshments in the 19th Hole Tent, enjoy free Jeni's Ice Creams and a free pancake breakfast, or enjoy half price beers for fifteen minutes each time a Nationwide Tour pro birdies the 13th hole. Don't miss your chance to see the best of golf's future playing now while having fun and supporting an important event benefiting many central Ohio charities. We hope to see you at the 2009 Nationwide Children's Hospital Invitational!

The Nationwide Tour

The Nationwide Tour is the Official Proving Ground for the PGA TOUR's next stars. At any given Nationwide Tour event you might see the next Jim Furyk, Zach Johnson, David Toms, Stuart Appleby, John Daly or Ernie Els. With 217 wins on the PGA TOUR and counting, and players representing 67 percent of the TOUR's membership, the Nationwide Tour clearly identifies those players who are ready to compete and win against the world's best. The essence of the Nationwide Tour is the 25 PGA TOUR cards that are at stake. From the very first event of the year to the last, the chase for "The 25" cards creates a focus and drama that is unique within the world of sports. In 2009, the season-long quest will culminate with a pressure-packed week at the Nationwide Tour Championship in November. At the conclusion of play, 25 players will be awarded their 2010 PGA TOUR cards.
